

We're **PROUD** to be part of Sign for Change

Learning **NZSL** with tamariki. Celebrating NZSL in Aotearoa.

Our centre is taking part in a 30-day challenge to learn 30 NZSL signs in 30 days.

Through Sign for Change, we are helping tamariki to:

- learn everyday NZSL signs in a fun way
- use signs into everyday routines
- value accessible communication
- celebrate one of Aotearoa's official languages
- practise inclusion in everyday life
- understand that people communicate in different ways

Learning 30 everyday
NZSL signs

Supporting this initiative:

- Ask your child to show you the sign learned today
- Practice it together
- Try including it in your routine at home

We're also inviting whānau community to support the Deaf and Hard of Hearing Foundation's community programmes. You can support Sign for Change by scanning the QR code to donate.
