

We're **PROUD** to be part of Sign for Change

Learning **NZSL** as a team and celebrating NZSL as one of Aotearoa's official languages.

Our workplace is taking part in Sign for Change, a 30-day challenge to learn 30 everyday NZSL signs.

During Sign for Change, we are taking practical steps to:

- learn 30 everyday NZSL signs as a team
- support more accessible communication
- practise inclusion in everyday life
- celebrate NZSL - one of Aotearoa's official languages
- recognise that people communicate in different ways

Learning 30 everyday NZSL signs

Supporting this initiative:

To mark 30 signs in 30 days, you can help the Deaf and Hard of Hearing Foundation continue its work in advocacy, education, awareness and community programmes that support Deaf and hard of hearing New Zealanders across Aotearoa.

A gift of \$30 is a simple way to recognise 30 days of NZSL learning – or you can give any amount that feels right for you.
